BlueChoice HMO Open Access HRA/HSA Minimum Value Summary of Benefits

Note: Allowed Benefit is the fee that participating providers in the network have agreed to accept for a particular service. The participating provider cannot charge the member more than this amount for any covered service. Example: Dr. Carson charges $100 to see a sick patient. To be part of CareFirst's network, he has agreed to accept $50 for the visit. The member will pay their copay/coinsurance and deductible (if applicable) and CareFirst will pay the remaining amount up to $50.

* No copayment or coinsurance.

1 When multiple services are rendered on the same day by more than one provider, Member payments are required for each provider.
2 For family coverage only: When one family member meets the individual deductible, they can start receiving benefits. Each family member cannot contribute more than the individual deductible amount. The family deductible must be met before the remaining family members can start receiving benefits.
3 For family coverage only: When one family member meets the individual out-of-pocket maximum, their services will be covered at 100% up to the Allowed Benefit. Each family member cannot contribute more than the individual out-of-pocket maximum amount. The family out-of-pocket maximum must be met before the services for all remaining family members will be covered at 100% up to the Allowed Benefit. The out-of-pocket maximum includes deductibles, copays and coinsurance.
4 Plan has an integrated medical and prescription drug out-of-pocket maximum.
5 Members accessing laboratory services inside the CareFirst Service area (Maryland, D.C., Northern Virginia) must use LabCorp as their Lab Test facility and a non-hospital/freestanding facility for X-rays and specialty Imaging.
6 There are no limits for children under age 21 when Physical, Speech and Occupational Therapy is included as part of Habilitative Services.
7 Members who are unable to conceive have coverage for the evaluation of infertility services performed to confirm an infertility diagnosis, and some treatment options for infertility. Preauthorization required.

Reminder: To enroll in HMO, HMO Referral and Plus plans, members must live or work within the CareFirst service area of Maryland, Washington, D.C. or Northern Virginia.

Note: Upon enrollment in CareFirst BlueChoice, you will need to select a Primary Care Provider (PCP). You may also call the Member Services toll free phone number on the front of your CareFirst BlueChoice ID card for assistance in selecting a PCP or obtaining a printed copy of the CareFirst BlueChoice provider directory.
